

## *Holiday Homework*

*World Book Day will be held on Thursday 1<sup>st</sup> March this year. We have many exciting activities planned for the children to enjoy during the school day and this half term we would like them to spend some time preparing for this special event with the following activities.*

*Activity 1: Complete a book review about a book you have enjoyed reading. You will be sharing your book reviews with other children during World Book Day.*

*Activity 2: On World Book Day, you will be creating your very own personalised non-fiction class book. You will have time during the day to create your own page about anything which you are interested in. You could create a page about your hobby, a favourite animal or a famous person. The choice is yours!*

*During the half term break we would like you to research the area you would like to create a page for. You could do this by gathering notes, facts, images, photographs and diagrams which you could include within your page.*

*Happy reading and researching!*
