

# TRAIN TO TEACH

Are you or someone you know interested in training to be a primary or secondary school teacher?

**School Direct**

## **Vacancies for both salaried and training places for 2018-19 and a range of different subjects for secondary training**

Our school is part of the Portswood Teaching School Alliance and will be working with them to support the School Direct Initial Teacher Training scheme for 2018-19.

The School Direct scheme is in its fifth year now and has proved a highly effective route into teaching. The scheme offers schools the opportunity to choose the best trainees so that we can continue to raise standards. Portswood Teaching School Alliance works closely with the University of Southampton and its partnership schools to provide an excellent training package for all trainees.
