Spring Term 2017

Hockey Tournaments

Beechwood Junior School, pictured right, class 4A v class 4G, 4G won with 25 total goals scored to 4A's 7. Some good ball skills and quick action games. Beechwood Year 4 also played against Harefield children with Harefield being the overall winners.

Pictured left, Hedgehogs class at Harefield Primary school take the ball but it wasn't enough for victory against Rabbit class who scored 12 goals to Hedgehogs 9. The Year 2's played well as they had only received a couple of lessons beforehand.

At Upper Shirley High School In the morning Wordsworth Year 2's won 4 goals to Hollybrook Infants 2 but it was reversed in the afternoon as Hollybrook Juniors won 10 goals to Wordsworth's 2, players pictured left. Thank you to USH for hosting and to the wonderful prefects for doing such a good job of helping to support the competitions.

Bassett Lawn Tennis club have been successful in gaining funding from Hampshire and Isle of Wight Lawn Tennis Association in order to offer additional (free) sessions to children in Southampton schools. Some of the trust schools have accessed this and it has proved to very popular with the children. If your school would like the opportunity to receive professional and dedicated coaching then contact Tracie Capper for further information.

Sports Times

Spring term 2017

Hollybrook Junior School qualified for the badminton mixed finals where they finished fourth, particularly well as this was the children's first time at the sport.

The year 5/6 boys played football league fixtures in the wide lane league where they won 2 games and drew a game. This put them into the top of the league with 16 points—5 points above the closest team. They won the city league and have qualified for the champions league tournament where they will play other city league winners. Good luck boys!

The boys teams have also played in the premier league saints foundation tournament where they won 7 straight games, scoring an amazing 47 goals to get to the semi final where they sadly lost 2-1. Players also got to meet saints goal keeper Alex McCarthy. Perfect! The boys also qualified for the indoor football finals where they finished second. WOW!

FOOTBALL RULES

Coach Lee Burch from FA skills Hampshire has been visiting schools delivering football training sessions as part of the 5-11 programme. The sessions are designed to offer children opportunities to develop their game play including defending, attacking skills and general ball handling. The programme is funded through lottery money, Sport England and sponsored by Lidl.

Children have been practicing their problem solving skills in specific sessions designed to get them thinking and working as a team. Pictured left children at Beechwood Junior's get stuck in and below, Shirley Infant children get talking!

DANCE ROCKS

Well done to all participants of the annual Rock Challenge competition, which took place at the Guildhall, particularly Harefield, Shirley Juniors who placed second and Beechwood who placed third.
