**J Rock 2018**

We are now able to confirm the following arrangements for the performance day on Saturday 24<sup>th</sup> February 2017.

All students need to make their own way to Southampton Guildhall and must arrive no later than **11:15am (back stage crew must arrive by 10:30am)**. Staff members will already be at the front of the venue to register children as they arrive and will then supervise them throughout the day. If there are any problems in getting students to the Guildhall please let me know as soon as possible so that alternative arrangements can be made.

Children need to wear black leggings and vest tops or **sensible** rehearsal clothes and shoes (J Rock T-shirts if they have them). Backstage crew will need: black trousers, top, shoes and gloves.

It is not advisable for students to bring valuable items such as cameras, electronic equipment or mobile phones to the venue as dressing rooms will not be locked during rehearsals or during the performance. Shirley Junior School takes no responsibility for these items if they are brought to the Guildhall.

We will be arranging to have a pizza delivery for lunch; due to the large numbers we will only be ordering 'Margarita' pizzas and will **not** be able to take individual orders. If your child would like to have some of this pizza please send in £2. If your child does not want to have pizza please send in a packed lunch for them. All children will also need a packed tea. A drink will be provided with the pizza. It gets incredibly hot in the changing rooms so please provide extra drinks.

Most of the performing children will be wearing makeup (Snazaroo stage make up, mascara and face glitter). Stylists from Freshair hair salon will be styling performers' hair on the day – which will include use of hairsprays. Please let us know if there are any difficulties with either of these for your child.

The performance will begin at **6:30pm** and doors are then shut, so it is advisable that all audience members are at the venue no later than **6:15pm**. The event will finish at approximately at **9:25pm**. Children will need to check out with the adult they registered with in the morning when they are collected.

**In line with the school procedure for medical forms please let us know if there are any changes to your daytime contact details or medical information on the form we hold. You will need to provide us with any medication on the day as we will not be taking medication held in school.**

***During the day there will be a professional photographer taking group shots of the crew and the performance. These photos will then be available for purchasing, from the photographers website, shortly after the event. The performance is also filmed and a copy of the DVD will be available from school. Please let us know if there are any difficulties with your child being photographed or filmed.***

All children involved in our 'J Rock' production have worked incredibly hard and will do you and us great credit when they perform at the Guildhall.

Yours sincerely

Clare Mendez
